100TH ANNUAL REPORT 2008 / 2009 SEASON

"catch the spirit"

Doug Menzies
Clubman of the Year

1924

1927

1932

1940

TODAY

Congratulations Newport! – 100 years old

Samantha Howard (Billie)

Vale

It is with much sadness that we advise the first passing of a Newport SLSC Nipper, being Samantha Howard. Samantha died on 22nd October, 2007, at the early age of 27 years from a congenital heart disorder .

Samantha, in her Nipper life, attended more carnivals and training sessions than any other in the period from 1993 to 2004. She was of great assistance to her father Greg, who is a Distinguished Service member of our Club and a long term Nipper Coach and Carnival Official.

Due to her health condition, Samantha was only able to compete in March Past but was a very keen Carnival attendee to cheer on her fellow Newport Nipper team members.

NEWPORT SURF LIFE SAVING CLUB INC.

100th ANNUAL REPORT AND FINANCIAL STATEMENTS

Season 2008/2009

NOTICE OF 100th ANNUAL GENERAL MEETING

Notice is hereby given that The 100th Annual General Meeting of the Newport Surf Life Saving Club Inc. will be held on Sunday, 26th July 2009 at 3.00 pm in the Clubrooms, Newport SLSC, Barrenjoey Road, Newport.

AGENDA

1. Apologies:
2. Confirmation of the minutes
 - 2.1 99th Annual General Meeting held 27 July 2008
 - 2.2 Special General Meeting held 27 July 2008
3. Business Arising from the Minutes
 - 3.1 Any other business
4. President's welcome and summary of 2008/09 Season
 - 4.1 President's Report
 - 4.2 Treasurer's Report
 - 4.3 Adoption of 100th Annual Report & Financial Statements
5. Election of Office Bearers
(Refer to Nominations Board)
6. Notice of Motion
 - 6.1 Affiliation
It is recommended that affiliation be sought for the 2009/10 season with the Surf Life Saving Sydney Northern Beaches Incorporated. Further that the Articles, Constitution, By-laws and resolutions, together with the awards, and equipment of Surf Life Saving Australia Limited, and/or affiliated State/Territory centres, and/or affiliated Branches be accepted without reservation.
7. Presentation of SLSA Awards:
8. Presentation of Honours Awards:
 - 8.1 Presentation of Distinguished Services Awards:
 - 8.2 Presentation of Outstanding Services Awards:
9. General Business
 - 9.1 Other Business (of an urgent nature only)
10. Meeting Closure

PRESIDENT'S REPORT

It is my pleasure to present the 2008/09 Annual Report of Newport Surf Life Saving Club, one of the great surf life saving clubs of the Australian surf lifesaving movement.

It is a great club because of all that it does and that means what each and every member contributes. Those contributions mean that today Newport SLSC is in one of its strongest ever positions. A few of the highlights are:

- We have one of the largest memberships in Sydney Northern Beaches. This season our membership grew to 1,122, a 10% increase. That also means we are now one of the larger clubs nationally
- Our patrol strength is fantastic with 325 people contributing to the 7,860 hours we patrolled this season. That is an 8% increase on last season, with the most pleasing aspect being the 76 Cadets (15 to 18 years) patrolling. This is more than double the already impressive 32 last year
- We trained 57 new Bronze Medallions and 61 SRCs. With these numbers joining the patrolling ranks we can look forward to next season with confidence
- We retained a strong Nippers program (452 Nippers, up 13%), which not only helps develop our junior ranks, but is a great source of senior members
- Our members continue to be recognised for their contribution to lifesaving and the community with Max Brooks winning the SLSSNB's Youth Competitor of the Year and Glenn Langley was given SLSSNB Life membership. Alana Smithies being awarded Pittwater Council's 'Young Volunteer of the Year' and receiving a commendation in the SLSSNB's 'Female Youth Patrol Person of the Year'
- In the SLSSNB, 'Most Outstanding Club' Awards, the Club was third in the overall award for the 'Most Outstanding Club'
- In competition, the emergence of open competitors continues with Tatum Ansiewicz and Jake Lynch representing NSW and Jake going on to being selected in the National High Performance Squad. They were supported by great results from Ben Ambrose on the beach and Max Brooks and Fletcher Davies in the water
- I cannot report on what we achieve without mentioning the Special Needs Nippers – the Dolphins and Marlins. The involvement of the Dolphins and Marlins in our club best emphasises the social and community values that makes Newport a special place and a special club
- Most importantly, we have again achieved our duty of care responsibilities by maintaining patrolling services in a way that is the envy of many other clubs.

Reflecting on those highlights, the most pleasing aspect has to be the increasing participation by our younger members as they are the future of the Club. Presentation Night highlighted this for me in particular, as the proportion of younger members significant and hopefully is the start of a takeover.

Speaking of Presentation Night, I would like to take the opportunity to acknowledge this years Club Award winners:

- **Michael Hill Memorial Trophy – Clubman of the Year:**
Doug Menzies
- **Paul Stevens – Junior Clubman of the Year:**
Kieran Menzies
- **Hans Trumm OAM – Award for Patrolling Excellence:**
Matt Halakas
- **Peter Dawson – Best New Member:**
Cath Perkins
- **Tom Guthrie – Rookie of the Year:**
Madison Smithies & Jack Temisgian
- **John Holland Snr – Committee Member of the Year:**
Ian Storey
- **Competitor of the Year:**
Jake Lynch

In presenting the report I am amazed at the diversity of what is Newport SLSC. Today, Newport is much more than what most people think a surf club is. As we move into our 100th year I think it is all the more important that we all take pride in the diversity of what we do. We are:

- A 365 day a year rescue service
- A community in itself full of people who look out for each other, as well as anyone that ventures on to the beach
- A sports club, a fitness club, a recreational club
- An accredited training organisation
- A big business having over 1,122 members that we have to look out for when they participate in the club. We also have anything up to \$100,000 invested in rescue gear

- A critical part of the Newport Community and literally contributes \$Ms each year in economic benefit to the community.

With that as a background, we are now entering our Centenary Year and a busy round of celebrations is planned. Two of the highlights will be:

- The release of the Club's 100 year History Book which is now nearing completion. In this regard I must thank Col Maclean and the Book Committee and all those who made contributions. Special thanks must go to Guy Jennings for what must have seemed an endless task in bringing the history together in a way which makes it a great read
- The Centenary Dinner and other functions which will occur over the October 2009 long weekend. Doug Menzies, Gary Cook, John McInerney and Ian Storey for the work they are doing. It is going to be a great celebration so stay tuned for more details over the next few months.

It has been my honour and privilege to serve as president of this great club. Having just completed my first year, I only now appreciate the commitment of my predecessors, in particular Doug Menzies who remains a major contributor and someone who I must single out for special thanks for the support he has given me.

The Club is also indebted to the work of the Executive Committee in Grant Dargue (Deputy President), Brett Budd (Club Captain), Ian Storey (Treasurer) and Alan Channells (Secretary). The General Committee also made a significant contribution for which I thank them, but must make special mention of:

- Robyn Quin (IRB Captain) for keeping Newport proficient in what is both the most important piece of rescue equipment, but

also the workhorse for all forms of water safety, carnivals and big swims. I also thank Peter Finch in this area as he contributed countless hours and he is a member of North Narrabeen SLSC

- Ian Crutch (Training Officer) for the most amazing effort. I was on the beach for the last Bronze examination and the squad performed in the most challenging surf conditions. It is truly a testament to the quality of the training that all of the squad passed with flying colours and were clearly superior to candidates being examined from other clubs at the time.

All the members of Newport SLSC never cease to impress me whether I am on the beach, or at a Carnival. You are passionate and committed Australians who make a difference to our community. Thanks and congratulations to you all. Of course, my thanks also go to my wonderful wife Sharon, for her support and understanding during a very busy year.

I want to thank our partners and supporters, who are so critical to our club, Perpetual, Pittwater RSL, Pittwater Council and Temperzone.

I encourage you to read this report as it illustrates the great work of Newport SLSC, a great club and a genuine community service organisation.

In closing, I am reminded of the words of John F Kennedy: *'Things do not happen. Things are made to happen'* – making things happen is what Newport SLSC does best.

Ted Smithies

President

HONORARY SECRETARY'S REPORT

On behalf of the Management Committee of Newport Surf Life Saving Club, I have pleasure in presenting for adoption the One Hundredth Annual report and Financial Statement, being for the 2008/09 season.

This Report is significant in many ways. It is 100 years since the Club was established and records published. Even more significantly, this Annual Report records our Club membership exceeding all previous levels; our Nipper and Junior involvement continuing to grow and our patrolling and competition efforts setting new levels of achievement.

I wish to acknowledge and thank Bev Barnes, the Menzies family and Gary Cook for their very considerable support and efforts in preparing this Report.

Alan Channells

Honorary Secretary

OFFICE BEARERS

PRESIDENT	Ted Smithies
DEPUTY PRESIDENT	Grant Dargue
CLUB CAPTAIN	Brett Budd
HONORARY SECRETARY	Alan Channells
ASSISTANT HONORARY SECRETARY	Gary Cook

Ted Bruce, Rob Barkley and Grant Dargue.

CLUB CAPTAIN'S REPORT

A very interesting experience for me this year as Club Captain. It certainly brought a new appreciation of the enormous voluntary effort provided by Newport Club members in so many areas other than just beach management. It is the breadth of interests within both Surf Lifesaving and 'Club' membership that make our Club so great.

We continue to gain strength in the competition area with renewed emphasis this season for junior development in Surf Boats, Beach and Water events. This part of Surf Life Saving keeps our younger members interested through their involvement in Surf Sports and hence adds valuable resource to our Patrols. A lot of credit is due to those who are coaching and fostering the interest in Surf Sports at Newport.

SLSA's increased accreditation requirements of a patrol makeup has meant that the Club's training effort has a big impact on our ability to deliver patrols with the necessary skills. Many thanks to our fantastic trainers (see Ian Crutch's report), also to Adrian Hill and Bernie Howard for the ATV training, and Robyn Quin and Peter Finch for the IRB training. With this we have improved patrol skills and strength, but also with the large number of successful SRC members, the character and shape of patrols have developed nicely.

The Newport Big swim was an early season wake up for us and I felt like a spectator as Ted and Ryan Smithies managed the water safety with ease and the experience from previous year's events. Thanks to all those braving the very cold water, laying out the course, rowing, paddling, towing, IRB's and Jet-ski people all helping to keep the event with a 'Safety first' emphasis.

As usual for Christmas day we rely on members volunteering time rather than being rostered and again we had a beautiful day very well covered. Thank-you to those who gave what time they could.

Some standout moments this season emphasise the high standard of training delivery at Newport, where you see the results in action with Eric Crooke (new Bronze member) not on patrol just out for a paddle, having clear presence to bring a spinal patient in with the help from other surfers, secured and lying on the rescue board

– then Wendy Taurins dealing with this patient (who was getting hysterical), calming her with great care. Also Kieran Menzies (new IRB driver) and Barry Cooper showing skills and courage negotiating dangerous seas in the IRB to perform two heart pumping rescues. Then on another spectrum we have people like Mal French and John Greenhill repairing and painting the IRB trailer, ATV and painting over graffiti – we are very lucky to have such fantastic members.

With the Gym up and running (thanks to Damian and Marty) at the start of the season and now a re-furbished gear shed to keep things in an organised and safer order (thanks to Gary and Rudi), we are looking forward to another great season coming.

I'm very grateful to all those members who gave time for patrols this season; the Club's strength is reflected through the fact that we have so many willing to contribute. For statistics this seasons we;

- patrolled 7863 hours, an increase of 562 on the previous year and further showing the growing strength of the Club
- had 338 people record patrol hours made up with;
- 19 doing 50+ hours
- 104 doing 30 to 49.9 hours
- 103 doing 15 to 29.9 hours
- 76 doing 5 to 14.9 hours
- 36 doing < 5 hours

The Patrol Captains have contributed an anecdote from their patrol for the season and it shows we indeed have a diverse group of people managing our beach and helping build the Clubs character. Thanks guys and girls for maintaining the high standards and your reliable services this season keeping the beach a safe place for us all.

Brett Budd

Club Captain.

R&R 5 Person Mixed Team.

PATROL CAPTAINS

Patrol 01 Matt Halakas

As a patrolling lifesaver at Newport Beach you know it is a great summer's day when confronted with indecent exposure, noise complaints, the inevitable heatstroke, and you only have to address one intoxicated tourist with all these challenges.

Patrol 02 "Love Patrol" Paul O'Keefe

The team continue with very strong growth in developing and maintaining their surf lifesaving skills and I can confidently say that every member of the patrol is a confident and capable surf lifesaver due to their diligence and participation in all training activity throughout the season. This season most of the training was done without me. Thanks to the VC and the senior love patrollers. What a great bunch of people! – Paul

p.s. Highlights from Nick (VC) Kieran Menzies and Barry Cooper in the IRB on our last patrol of the year, two retrievals in very dangerous surf, including the finest single air off the lip of the year. Also, captain Paul's flawless performances on camera during the "Surf Patrol" reality TV exercises.

Patrol 03 Anthony Wagstaff

My thoughts on Patrol 3 is that the group continue to grow as competent lifesavers, with most members pursuing additional awards through the season. Particular recognition to those members of the Patrol who are doing their HSC this year and still found time to patrol the beach: Jess, Julian, Sara, Ryan, Isabella, and Lucas.

Patrol 04 Ray Bratton

Thanks to the weather which kept the public off the beach on several of our patrols, the enhancement of our team by some great new members, the relentless pursuit of perfection, excellent beach management by the team and the best story tellers on the beach, we had a comparatively quiet season. (This will probably put the mockers on us for next year!)

Patrol No. 8.

Patrol 05 Adrian Hill

One busy day for the year with a lot of IRB action keeping an eye on a BIG fish (shark) that visited Newport. Kieran Menzies and Alan Channells worked the IRB with the SLSC helicopter very close overhead and the beach closed for most of the patrol. Several sightings of the offending shark, with big swirls of water near the IRB, kept us on our toes and all other 'toes' out of the water. The public were very nervous after the Avalon shark attack the previous week.

Patrol 06 "Storm Patrol" Michael Rosic

A big year for the new bronxies and SRCs. They performed fabulously, and Captain Cranky (our illustrious training officer) ensured they did the obligatory push-ups if/when they lost their boards. The "young folk" were well supported by the more experienced members. We excelled in weather selection, with one sunny patrol! This year will be remembered as the year of the shark, but we ensured that no one was eaten on our patrol! Thanks to the patrol partners for their regular support and supplies, even in the most dreadful weather.

Patrol 07 Alan Channells

Our most unusual event was a yacht becoming dangerously close to the inside reef near the swimming pool in the break zone and launching their tender. Our IRB raced to the rescue and returned with an extra passenger wearing not much more than a flimsy wet t-shirt. The young lady thanked us for saving her life, she was simply trying to get ashore to catch a bus into the city for work that evening. The young lady was last seen walking to the bus stop, as the yacht headed for deeper water.

Patrol 08 Tony Hayes

Highlight was the kids coming through their SRC into patrolling members and joining our patrol. Their enthusiasm was infectious adding a real depth and future to the club's ability to effectively provide beach safety. Unfortunately we lost a long serving club man to the North Coast during the year – Alex Law he will be sorely missed by all who crossed his path.

Patrol 09 Damian Clarke-Bruce

After one year spent hiding from the rain, this season literally tested everyone. Most notable was Wendy Taurin's empathy and support for a serious spinal patient. Thanks also to Kieran as our fill in IRB driver and the team for top results with two inspections. I can comfortably say that if I needed assistance, their commitment to the job and patience, make them an exceptional team and me one very proud patrol captain.

Patrol 10 "Gourmet Patrol" Rob Barkley

We would like to thank the Newport bathing public for their courtesy in observing the Gourmet Patrols indulgence time slots between starters and main course. During the year we had numerous saves and preventions with community relationships' strengthened by the humble smile and the delectable offering. It was particularly pleasing to see the motivation and enthusiasm shown by our new SRC and bronze members to embrace the gourmet patrol concept of excellence in surf and lifesaving and the appreciation of fine food & great coffee.

Patrol 11 Joshua Hayward

One cool summer morning we came down for patrol only to be confronted by a fog so thick you couldn't see either headland from the clubhouse. This was one of the creepiest days I've ever experienced on the beach, the absolute quiet, the slow moving fog and the possibility that someone could go missing at any moment kept us on our toes. It soon burned off to be a beautiful day, filled with the luscious smells of Megan's home cooking, which always brought down the extra's for a quick meal!

Patrol 12 Tina Leck

This day we needed to help some of our own. Overcast and messy surf with weeds meant Crutchy's bronze squad out numbered the public. After dealing with one member cramping, we had another who, after doing a tube rescue and suddenly laying down was in trouble with suspected concussion and possible neck injury. Put on to the spinal board he still had difficulty telling us his name. After finally being cleared by the Ambo's, he was taken home by his Mum to rest up. It just shows we can't always predict who will and won't need our help.

Patrol 13 Peter Davies

Reasonably uneventful thankfully, although a couple of spinals on our first Patrol. With good numbers we had the beach well covered, even at the extremities. We did have the usual quorum of yahoos who didn't want to listen, some of which got quite aggressive on occasion. My heartfelt thanks go to all patrol members for their diligence through out the season, but in particular to my VC Stuart for his energy and commitment.

Patrol 14 Ryan Smithies

The flying tent incident – extremely impressive how well the entire patrol sprung into action when our first patrol for the season got turned into absolute mayhem when a massive southerly ripped through the beach and caused total chaos, including ripping the patrol tent out of the ground.

John Greenhill and Nigel Leck.

TREASURER'S REPORT

Newport SLSC

Matching the 2008 record surplus was always going to be a hard task! 2009 was however another very good year for the Club, producing a surplus of income over expenditure of \$62,027.

Income for the year was down 15%, due principally to the drop in Donations and Sponsorship. These two income sources together accounted for an anticipated drop of \$80,000 in our receipts. This was offset by the increases in Hall Hire and After Fives revenue in the renovated Clubhouse, and a significant 42% rise in Subscriptions.

Function receipts, Raffles and Carnival income were also down, reflecting the changes in the Club's program for the year.

Expenses rose by 7% on the previous year. The most significant reasons for this increase were the \$9,000 rise in Interest Paid, due to our Bank Loan, and the expected volume increases in our costs caused by the 10% increase in our membership. Affiliation Fees,

Rescue expenses, Repairs and Maintenance, Carnival Expenses, and Depreciation all rose due to greater activity on the beach and in the Club. A write-off of old Furniture was also a contributor.

The Net Assets of the Club again increased substantially, by 15% to \$467,023, due to a further increase in our Plant & Equipment, and a healthy growth in our net cash reserves.

The Club Committee has been enthusiastic and supportive. I would like to thank that Committee, our new Administrator, and those people who have helped me throughout the year, particularly during my extended absences overseas. They have made a strong contribution to another very successful season for the Club.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2009

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared for use by the committee and the members of the association and all activities of the association have been consolidated. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the NSW Charitable Fundraising Act and Regulations and Associations Incorporation Act NSW and the following Australian Accounting Standards:

AASB 110:	Events after the Balance Sheet Date
AASB 116:	Property, Plant and Equipment
AASB 121:	The Effects of Changes in Foreign Exchange Rates
AASB 1031:	Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property

Freehold land and Buildings are shown at their fair value.

Fixed Assets

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets, excluding freehold land, is depreciated over the asset's useful life to the association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Declaration by the Committee of Newport Surf Life Saving Club Incorporated

In the opinion of the members of the committee:

- a) the accompanying income and expenditure statement is drawn up so as to give a true and fair view of the profit (or loss) of the association including fundraising appeals for the last financial year;
- b) the accompanying balance sheet is drawn up as to give a true and fair view of the state of affairs of the association including fundraising appeals as at the end of the financial year;
- c) the provisions of the act, the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the association, and;
- d) the internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the association from any of its fundraising appeals, and;
- e) at the date of this statement there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

The accounts of the Association have been made out in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporation Act (NSW) and Charitable Fundraising Act 1991 (NSW) and the regulations.

Signed in accordance with a resolution of the committee.

Place: Newport Surf Club

President: T. Smithies

Date: 15th July 2009

Treasurer: I. Storey

AUDITOR'S REPORT

TO THE MEMBERS OF THE NEWPORT SURF LIFE SAVING CLUB INCORPORATED

Scope

I have audited the financial report of the Newport Surf Life Saving Club Incorporated for the year ended 30 April 2009. The elected committee of the Association is responsible for the financial report. I have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Association.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. My procedures included examination; on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with Australian accounting standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporations Act and Charitable Fundraising Act 1991 of New South Wales and the regulations so as to present a view which is consistent with my understanding of the financial position of the Association, the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In my opinion, the financial report presents fairly the financial position of the Newport Surf Life Saving Club Incorporated as at 30 April 2009, the results of its operations, fundraising appeals, accounting and associated records have been properly kept for the year then ended in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporations Act and Charitable Fundraising Act 1991 of New South Wales and the regulations.

At the date of this report there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

Dated: 15th July, 2009

Chartered Accountant
Registered Auditor No. 730

CHIEF INSTRUCTOR'S REPORT

All I can say is what a year! We thought last season was big, well, we have outdone ourselves this year, with 57 Bronzes and 61 SRCs and a total of 991 awards ranging from U8 year old junior activities to silver medallion advanced emergency care.

These statistics don't come without a lot of work and planning and I truly have to thank Sandy Menzies for setting me up with a very workable team. This also brings to mind all those wonderful people who spend tens to hundreds of hours making this great club of ours work so well, which includes trainers, examiners, assessors, facilitators and our Chief Administrator, Catherine Perkins.

The mix in our big Newport SLSC Family is made up of the old and new and it is, perhaps, this mixture that makes it work so well. Me being the new young blood of course. I really have to thank many people for all their time and effort and if I miss someone don't blame me for I think I have "Oldtimers" and I am tired! Well here we go.

Bronze Trainers Mike Rosic, Sandy, Kieren and Jessica Menzies, Nick yahoo Carroll, Ben Cummins, Tony Brigden and Ted Bruce.

Chief Administrator and boy did she administer, Catherine Perkins. What a Gal!

SRC trainers Rob Barkley, Marty Cowper (now he's old), Grant Dargue, Leanne Budd (she's not so old), Megan Hayward, Ben Cummins and of course the Menzies family.

Chief Administrator as above, Catherine Perkins ably assisted by Denise Temisgian. Boy, now there is a team not to mess with, hey kids!

Assessors Alphabet alias Richard Andjelkovic, Leanne Budd, Grant Dargue, Bernie Howard (now he has been here for years), Doug and Sandy Menzies (now her name comes up a bit). Plus those members from other clubs who were our external assessors.

IRB training was organised by Robyn Quin under the watchful and very respected eye of Peter Finch and Howard Fitzgibbon. We had six successful candidates for silver medallion IRB driver and eight IRB crew certificates.

As you can see it takes a lot of cooks to get the Newport SLSC broth right, and boy they did a great job. I must also congratulate our award holders, for it is these young, and not so young, who hold the future of our Club. Welcome to one of the greatest institutions in the world.

Finally I have to thank my wife and family for there unwavering support. Cheers and enjoy the peace of winter and those great days of offshore winds and a southerly swell. See you on the 9'2".

Crutchy

Chief Instructor

Ben Ambrose in full sprint.

Ben Ambrose (left), Australian Championships 2nd place Beach Sprint.

FIRST AID OFFICER'S REPORT

This season saw us ready for gear inspection in the second year in our first aid room. Many thanks to all patrol members who strive to keep this room clean and tidy – despite the sand!

Many members have again given their time to update their awards with senior first aid and advanced resuscitation certificates – thank you to you all – you help to improve the standards of our patrols and make our beach a safer place.

We again hosted the Newport Ocean Swim and provided first aid to the swimmers – a much quieter first aid day than some we have had! Thank you to Wayne Charles for his assistance with first aid at the swim yet again – a fantastic job.

I look forward to seeing you all again next season.

Sandy Menzies

IRB CAPTAIN'S REPORT

I have enjoyed my 1st season as IRB captain for the club and I would like to thank the club members for their support throughout the season.

We have been training drivers and crew people on a weekly basis for the last 12 months. During this period we have gained approximately 20 new driver and crewperson awards, so congratulations to all of those members who made the effort to turn up on a regular basis. We are still training each week for those who are interested. Conditions that we have trained in throughout the season varied from calm flat water to huge sloppy seas, wet weather and wind.

I would like to thank the existing drivers who came down most sessions to assist with the training and also to improve their own skills. Without their efforts we would not have achieved as much as we did.

We started the 2008 / 2009 season with 2 new Arancia boats which were acquired by the club at the end of the previous season. We also gained a new engine which allowed us to always ensure that we had reliable rescue equipment on our beach at all times throughout the season.

I would like to thank the members who assisted me to service and maintain our engines, boats, Rhino and the IRB beach trailer. Their help has been invaluable and has made my job a lot easier.

Robyn Quin
IRB Captain

IRB driver Kevork Temisgian – training the hard way!

COMPETITION OFFICIALS

All competing members of the club gratefully acknowledge the support and efforts of the competition officials listed below:

Richard Andjelkovic	Michael King
Beverley Barnes	Douglas MacDougal
Lynne Blackburn-Smith	Sandy Menzies
Gary Cook	Doug Menzies
Ian Crutch	Mark Stanton
Megan Howard	Ian Storey
Bernie Howard	Jean Turner-Chapman
Greg Howard	Bill Washington
David Hutton	

COMPETITION ORGANISER'S REPORT

Another pleasing competition season for Newport – pleasing on two fronts.

Firstly, our regulars picked up their annual medal haul and secondly we have a new, young bunch of water, boat and beach athletes winning and asserting their presence. I'm sure all the discipline heads and coaches will have all the details in their reports, so no need for me to repeat here.

Jake Lynch is the well deserved Competitor of the Year. Jake's results and consistency over the season has also seen him rewarded with a much sought after position in the SLSA High Performance Programme.

As our inter-club competition is under control, my aim this season was to reinvigorate our intra-club competitions. Firstly, by re-establishing our Sunday morning surf race. This was done very successfully by Mark Stanton, with his regular helper, Margaret Pearson. Many swimmers were often surprised by their handicap (mine was never low enough) but the numbers of the Sunday 1030 regulars continued to grow over the season.

My intention, also, was to have our members compete in at least three rounds of club championships and King's Cup. I did manage to find the required weekends amongst our busy summer schedule, but unfortunately for the club champs weather, closed beach, seaweed and some competitor apathy restricted us to one round.

The King's Cup has become a board race, as we apparently don't have any ski paddlers. It's still a great fun event, especially around the back of the reef.

Congratulations to all of our competitors over the last season and thanks to all the coaches, parents, supporters, and helpers without whom, Newport would not be on the water or sand.

Michael King
Competition Organiser

BEACH COMPETITION COORDINATOR'S REPORT

Open Competition

Branch Championships

The Open beach team was well represented on the beach with a number of medals being won.

In the under 15's Newport had success with Tatum Ansiewicz and Ben Ambrose. Ben finished with a 2nd in the beach sprint and Tatum taking out the 15 female's beach flags and a 2nd in the beach sprint.

The under 17 men's beach relay, running together for the first time, came home to win Gold in the 17 male beach relay. The team was represented by Robert Barkley , Mitch Rosic , Luke Tyler and Aero Laplatrier.

Jake Lynch won Gold in the 19 males beach sprint and finished with a 2nd in the beach flags.

In the open category Jake Lynch also finished with a 3rd in the open men's beach sprint.

The open men's beach relay, which seemed more like an all ages relay team of Ted Smithies, Steve Hatch, Jake Lynch and Mitch Rosic, finished in a close 3rd.

State Titles

In the 15's again, we had Tatum Ansiewicz and Ben Ambrose competing.

Tatum Ansiewicz fell just short in both the flags and beach sprint coming in with a 4th in both events. Ben Ambrose finished with a Bronze in the beach sprint and a 5th in his pet event, the beach flags, proving that giraffes can indeed do beach flags.

The 17 male's beach sprint featured Mitch Rosic in the final of the beach sprint, crossing the line in 6th place. The 19 males were

represented by Jake Lynch who won gold in both the beach flags and beach sprint.

The open men's beach relay team finished in 5th place with a team of Steve Hatch, Jake Lynch, Tristan Conn and Mitch Rosic.

Australian Interstate Championships

Held a day before the Australian championships commenced, Newport had two representatives, Tatum and Jake.

Tatum in the 15's female beach flags picked up a 3rd and Jake in the 19's male sprint finishing in 3rd. Two other Newport Beach competitors were drafted over to the Northern Territory team. Ben Ambrose competed in the 15 male beach flags and sprint coming in 3rd in the sprint and 6th in the beach flags. Unfortunately, Steve Hatch was disqualified in the open men's beach sprint for a false start. Jake and Tatum also received an Australian gold medal for being apart of the NSW winning inter-state team.

The Australian Championships

Competing over a period of 4-5 days on the beach, our beach sprinters had to get through some tough rounds before making the finals. In the under 15's males and females Newport had Ben Ambrose and Tatum Ansiewicz, both of them qualifying for the beach sprint finals. Tatum came in 8th in the final of the sprint. Ben Ambrose, lumbering out of lane one, produced an impressive run to storm home to claim a silver medal in the 15 male's beach sprint.

In the 19's category, Jake Lynch qualified for both the flags and beach sprint finals, showing some impressive form. Jake picked up a bronze in the beach flags and falling a hundredth of a second shy of a medal in the beach sprint with a 4th.

Jake was selected as a member of the Australian High Performance Squad at the conclusion of the Championships.

Well done to all our Newport Beach Open competitors!

Ted Smithies and Marty Lynch fighting it out.

Masters Competition

Once again our masters beach team showed why they are regarded as the best in the country with some outstanding results in the 08/09 season.

As any member of this illustrious team would know all our hard training is directed towards our one major carnival, The Australian Championships, held once again in Scarborough, Perth.

Our Men's team brought home three Gold medals; Ted Smithies in the sprint, Martin Lynch in the beach flags and Ted, Martin, Brett Budd and Rob Emerson in the beach relay. This brings our beach team Gold tally to 38 Gold medals at Australian Masters Championships over the last 19 years.

Brett Budd and Martin Lynch also picked up Silver medals in the sprint in their respective age groups and Simon Goldschmidt added to his medals in the water events with a Bronze medal in the beach sprint.

Ted Smithies and Margaret Pearson represented Newport in the World Masters Championships in Germany. Ted picked up two Gold medals and Margaret three Gold.

The Womens Team

And as for the masters women, i.e. over 30 years, Newport had four regular and loyal runners;

Robyn Cummins was the most consistently successful. She discovered that missing regular training is not always essential to success. She was the Branch Champion in the 45–49 years women beach sprint. At the State Championships she won Silver and at the Australian Titles a hard fought Bronze medal.

Margaret Pearson started her season in Germany at the World Life Saving Championships. On this "clothing optional" wide expanse of white sand on the Baltic Coast she became World Champion 40–44 years woman 2 kilometre beach runner, flagger and beach sprinter. Her success did not continue at the local carnivals, but she was thrilled to win a Bronze in her beach sprint at the Australian Championships, her first individual Australian medal.

Eva Daube also went to the World Championships and was very unlucky in flags and sprint to get two fourths (the cruellest of places). Along with Souki Southern, Robyn and Margaret, Eva rounded out the Newport women Masters beach relay team. Competing in an age group (140 years +) with a combined age 40 years older than optimal they succeeded in winning Silver at Branch, Bronze at States and 4th at the Australians.

Victoria Vildzius enjoyed her first year qualifying as a Master. She was frequently seen making a dash from the Water events to compete in Beach Flags. At the Branch Championships she won silver in the 30–35 years women's Beach flags and then Bronze in a hotly contested State Championships.

Congratulations to all.

Martin Lynch

Beach Competition Coordinator

Margaret Pearson and Eva Daube.

Souki Southern, Robyn Cummins, Margaret Pearson and Eva Daube.

Alan Channells, Branch, Palm Beach.

RESCUE AND RESUSCITATION REPORT

In the absence of an appointed R & R Captain, this Year's R&R report is delivered as a series of reflections on the past season from several of our R & R competitors and coaches.

Out of Nappies

After coming off a high in the 2008 season with a 4th place at the Aussies, the team was confident of success in 2009. We had a great opening to the season with some wins at smaller carnivals and it was great to be able to compete with confidence throughout the season. With our 3rd places at the Branch and State championships we were all pleased to have Newport's name in the R&R results for the first time in several generations. The 'Medal in a Box' eluded us in Perth yet again which was very disappointing given our form and enthusiasm leading into the event. Thanks must go to our dedicated R&R coaches Bev Barnes and Paul Ducker. Bev took on the role of R&R judge this year to learn more about the finer points of this complex event. Bev was so successful in her officiating role that she was appointed to the Australian R&R judging panel in Perth, a fantastic accomplishment in her first year. The team also won the most improved team trophy in 2009 awarded by the NSW R&R panel.

Tim Francis

5 Person Mixed

2008-09 season was the first season that I competed properly in R&R. I really enjoyed the experience of going to state and doing really well. With a great coach, Mark, I learnt a lot in a short amount of time. Although the training sessions were a bit tiring sometimes, it was all worth it in the end.

I remember our first carnival at Manly. I was rescuer and I forgot ALL the moves to do as I had only been doing it for a short amount of time. Now I think of it, it was pretty funny, because we came second last!

We improved a lot by the end of the season and ended up with a ninth position at the State carnival. One thing I can take from the experience is: I certainly know how to march.

Zoe King

2 Person

This year was a challenging one for many of us involved in R&R. However, generally we overcame the obstacles in our way. This is a credit to the strength of the individuals involved and the team as a whole.

Results: MW Branch Titles – 3rd place, NSW State Titles – 3rd place, Australian Titles – 6th place.

It is an indication of the strength of the R&R competitors in Manly Warringah that the 1st and 2nd place winners at Branch titles won the State and National competition.

We are looking forward to continuing our improvement at State and National level in 2009/10.

Jean Turner-Chapman

5 Person Mixed

A successful season with bronze medals at Branch and State championships for the Open Mixed 5 Person, while the 2 Person team made the semi final at State. This was a good result as it was the first year of competition for Zoe and Jamie.

Mark Stanton

5 Person Mixed, 2 Person Coach/Official

A wonderful season where Newport really displayed developing strength in the R&R arena. Teams comprised Zoe King and Jamie Hough in the Junior 2 Person event, whilst contesting the Open 5 Person Mixed event we had Tim Francis, Gill Hough, Mark Stanton, Jean Turner-Chapman and Tina Leck. It was excitement all round with the Open team taking their first ever R&R medals collecting bronze at Branch and State.

Special thanks must go to Paul Ducker, from Collaroy Club, for his coaching expertise. Thanks also, to Gary Cook for assisting the team with marching instruction. Well done everyone. See you on the beach next season.

Bev Barnes

Team Manager/R&R Judge

I really wanted to join R&R after I saw the Newport Open R&R team compete and train. So I started with Zoe. We both enjoyed competing and doing well. We had to practice and train. The end of the season came and State came closer and closer. We trained hard and it showed. We came ninth in the state. We would not have done this without the help of our coach, Mark, and the help of Bev and Gill. I really enjoyed R&R and would love to do it again.

Jamie Hough

2 Person

I would like to congratulate everyone in the R&R team this year for a tremendous effort in winning several carnivals early in the season and bronze at Branch and State. Unfortunately we didn't win a medal at the Australian Titles but made the final in any case. I'd like to thank Bev Barnes and Paul Ducker for coaching the team, as well as team members for showing great strength when the going got tough. Well done.

Also, special mention to the patient who did not die this season!

Gill Hough

5 Person Mixed

R&R 5 Person Mixed.

BOARD AND SKI CAPTAIN'S REPORT

2008/09 was a big year for the sporting watercraft contingent, I can tell you. We began the season with 16 boards in the shed and ended it with 32 – not counting the ones hiding in various people's houses or still in the repair shop. We also saw a couple of new skis enter and a couple leave, and quite a few more are rumoured to be in the wings for 2009/10. This means storage has become the big issue in the board and ski shed, and it'd have been impossible to handle this season without the generous energies of none other than club Deputy President Grant Dargue. Grant used his considerable influence to induce one of his building suppliers to come up with a tough as nails racking system that quickly doubled the room's storage and truly saved the day. All of the board and ski crew would like to say a colossal THANKS! to Grant for his help.

This was also the first season that we saw the watercraft training program really begin to take off, with a wave of supergrommets pouring through from the Nippers ranks and an ever expanding masters crew really beginning to hone their skills and technique. Our plan for the coming season is to expand the range of the water skills training program to include special novice/intermediate sessions in racing mal, surf swimming, and combinations, making it easier for rising Nippers to engage quickly with their futures in the surf, and for start-up masters to ease into boards and bodysurfing. This will also allow us to focus separately on the continuing elite skills development of our top supergroms, age groupers and masters, as they get faster and more vicious in '10.

Some shining lights in competition this year included the amazing U-14 boys board relay team: Max Brooks, Fletcher Davies and Cooper Halligan. These three not only took out the NSW U-14 title, they made the U-15 Aussies final – an amazing effort against extremely strong and deep competition. All three had great results all year in board, swim and ironman as well as team events, and Fletcher and Max were the water selections for the NSW winning Sydney Northern Beaches squad. There's so many other excellent Nipper and junior age group kids in the water zone right now: Peter and David Euers, Ashley and Anna Kiernan, Sam Redward, Charlie Brooks, Tennyson James, Jackson Borg, India Blackburn-Smith, Zoe Cummins, Cody Marr, Jacob Nielson, Tracey-Blaire Barnes, Elissa Branwhite, Tatum Ansiewicz, Tahlia Bogg – all these kids and more are putting in a lot of energy and effort, and vitality for the club, learning important water skills that help protect all our visitors to Newport Beach. Race training is awesome, racing's incredible

fun, but all the gold medals in the world mean nothing next to a successful surf rescue in serious conditions – and that's our underlying philosophy in board and ski.

Our regal newly Open star Grace Davies was hampered in her competitive efforts this season thanks to injury and tertiary education commitments, but still recorded some classic results, including an ironwoman win at the SNB trials. If Grace got a clear year of training and prep and racing, there's no telling what she'd be capable of. The masters had some star competitors with Simon Goldschmidt winning some crazy number of golds at the SNB champs (six was it Sim?) and Kevin Flood winning the 55-plus NSW ironman title. Julia Magliano won gold in the NSW board race, and Queenscliff's Ian Poole joined Floody and me to take out silver at NSWs and bronze at Aussies in the board relay. Again a lot of names here: James Brooks, Ben Davies, Tony Wozniak, Grahame Tate, Tim Francis, Stuey Meares, Michael Kiernan, Victoria Vildzius, Margaret Pearson, Rob Norris, Ray Bratton, Katie Edwards in a great cameo appearance at SNB, Glenn Barnes, Glen Borg, and special recruit Christine Hopton, Avalon SLSC prez, who came over to team up with Julia, Vick and Jan Proudfoot. But I vote for Jan as our toughest competitor this year, she worked through injuries and just kept on taking up the challenge. Now she's gone to the ski. Fantastic stuff.

Broader horizons are important for the grommets and in March we had a visit from some top Hawaiian lifeguards and water sports people, including Brian Keaulana, Todd Bradley, Dave Parmenter and his partner Claudia, and Archie Kalepa. The Hawaiians spent a morning with the groms, came to dinner that night at the club, and were honestly blown away by the reception from all these kids who could swim and paddle with 'em so well. Several members of the board and ski team, including Fletcher Davies, Nick, Floody, Tatey and Michael Kiernan, are training to race at Molokai in Hawaii in late July and we hope to continue the cultural exchange between the Hawaiians and Newport Beach.

Watch the website for updates to the water training schedule in September/October '09.

Nick Carroll

Board and Ski Captain

Charlie Brooks.

Nick Carroll at Freshwater Masters.

SURFBOAT CAPTAIN'S REPORT

Gropers, Tally Whackers, Wahoo, Sardines, Sunshine & Cobia are mostly related to the Ocean and they are also some of the names of the crews that represented Newport this Season.

This season was the dawn of a new era of many things, e.g. Rowers, Club renovation, Club Gym, Sponsor, Boat, Boat Captain and past members coming back to join the club environment again. With eleven competitive crews for the season and six of them going to Nationals it is safe to say that Newport rowing has moved into the 21st century and is looking stronger for future seasons for the club.

We went back to basics this season and encouraged younger members of the club and out of the club to get involved, with this new attitude the senior rowing members of the club were full steam ahead before the season had even come close to beginning so that we could get all these potential rowers through their Bronze and into a boat which lead us to our new sponsor Temperzone who were generous enough to donate a new surfboat which not only gave a boost to moral but also to results.

Results

We had many successful results from all crews at the sixteen carnivals we went to and the major result for the season would have to be the U19 Men's Gropers making the Final at Nationals in their first season of rowing (Well done).

These successful results came from the support and the encouragement that the competitors provided to one another on and off the water.

Some of the season Highlights were not just on the water but also off the water, with the camping trips to Broulee and Swansea

Belmont. One of the away carnivals that stuck out to me was the Mollymook carnival where it was 10 degrees on the beach and hailing. Most people would pack up and head home but all the crews stayed to the very end helping one another move the boats on and off the starting line. This showed to me how fantastic it is to be a Newport rower. Some of the other highlights were provided by our juniors

This season had many highlights and all of them were with laughter

- The U23 Girls crew shocking themselves and the competition of how much potential they have and Mighty Mouse (Sarah Fletcher) the smallest and most determined bow girl on the Northern beaches
- Cobia U23 Men's, these boys started the season kicking and screaming and it wasn't until the results started to pile up they started to see the light.
- Josh Crowe daring to wear the Purple dress and take on the Bulli A Crew at hacky sack
- Team Holland Family who had Tom in the U19 Gropers and Dad and Uncle combination Craig and Jack in the Master's
- The Bortho Dash (Egg & Spoon race)

I would like to thank all those involved who made it possible for us to not only have a successful season but also a fun one. Any member who would like to try rowing at least once please come see me or stick you head in the boat shed on a Sunday morning.

Jay Borthwick

Surf Boat Captain

Women's Open crew.

Left: Glen Borg.
 Below left: Newport finalists.
 Below right: U23 Girls plus One.

Above: Sardines.
 Above right: Oops!
 Right: Officially King.
 Far right: U23 Cobia.

HOUSE CAPTAIN'S REPORT

It is with great pleasure to report what has been happening within our surf club over the last 12 months. Another huge season has passed through the clubhouse with many events and functions carried out. What a fabulous place to hold a function now, with many satisfied people having hired the hall for their 'special' day. Permanent bookings of Yoga classes have also been occurring throughout the year.

We, as members, should be very proud of what we have achieved over the years to get to this fantastic standard, however, we need to keep in mind our 'Duty of Care' where necessary to maintain the quality of our Clubhouse. Please at all times, wash the sand off your feet/body, before entering the Clubhouse.

With over 1,000 members including Nippers and many evening functions, there has been the need to have the club cleaned twice a week throughout the season. Our new cleaners have been doing a fantastic job and are always there late into the Sunday evenings. Thank you Steph and Clive.

I would like to thank you in advance for helping out when necessary to clean, sweep, empty bins and generally keep the clubhouse tidy when you use the club.

May I take this opportunity to thank everyone who has helped me over the course of my House Captaincy role with various voluntary jobs. I have enjoyed everyone's help and friendship, working with many members of the various Committees' of Newport Surf Club over the past 5 years as House Captain, thank you for all your support and assistance.

Thank you.

Jane Steinert

House Captain

SOCIAL SECRETARY'S REPORT

The usual events continue on at the Surf Club with patrolling members and their families enjoying the barbecues and After 5's social scene. It is always great after a day of patrolling to enjoy the companionship of fellow members at these events.

After 5's is a great time to share experiences especially from Carnivals with so many of our members doing well at these events. Thank you again to all who help behind the bar and especially Peter Tierney for all his efforts in keeping the roster going.

Nantucket Shield Day was held again on 25th April – with the Vice Captain's Team claiming a narrow victory. I believe the boat race was the decider once again.

This was enjoyed with a Paella lunch enjoyed by all.

Presentation Dinner

Our Presentation Dinner was held at Pittwater RSL Club on 23rd May and was yet again a huge success. This night gives us the opportunity to put on your best dress/suit and shine. It is wonderful to acknowledge all the achievements over the year and there were many to celebrate. We have so many champions within the club and this gives us a chance to celebrate their success. Well done to you all.

This year particularly it was great to see so many young members attend and enjoy the evening – these young adults are the future rising stars for the club.

Thank you to Kieran Menzies, Ben Cummins and Jessica Menzies who yet again put together a great DVD of the events and patrolling members over the year – every time you watch these DVDs you are in awe of how much the members and club do! Well done.

Thanks again to everyone who helped over the year especially Bev Barnes and Sharon Smithies.

Mary Brigden

Social Secretary

Patrol No.13.

YOUTH DEVELOPMENT OFFICER'S REPORT

Youth development took an interesting and positive turn this year. As per other years we had several events through out the year that worked over and above the regular nipper program and were designed to keep the kids involved past the typical drop off age of 14, 15, 16. These events will be detailed later in this report and Newport Surf Club took many additional steps this year in providing a wider competitive, skills based and social program for our youth. However, there were three stand out things that happened this year that have not been as prevalent in previous years.

1. Newport SLSC hosted the super surf camp that attracted kids not just from Newport but also a wider selection of Northern Beaches Surf Clubs.
2. We had a very large SRC group (50+ kids) with a corresponding large group of enthusiastic adults to create opportunities and events for these kids.
3. The above items happened organically and were a result of the growing spirit of community within the club that has gained a lot of momentum over the last few years.

These three items took the club to new levels achieved over and above previous years and are a result of a lot of different people putting in a lot of energy. The ongoing impact of diversification offered by the SSCamp, the series of events done with the SRC group as well as other events done this year will be felt positively within the club for several years to come.

The year as it was.

- a. Continued board and swim program both during the week and outside regular nipper hours
- b. Ongoing extra curricular training for our beach athletes and first aiders
- c. Super Surf Camp for kids of ages 7 – 17 at all skill levels
- d. SRC training
- e. Multiple bonding events for SRC crew – pizza movie and photo nights, field trips to Cafes, various parties / club sleepovers
- f. Youth Development camp at the Basin in January
- e. Creation of additional junior boat crews

Fun at the Basin Annual Rookies' Camp.

- f. Ongoing support of the Duke of Edinburgh awards
- e. Visit to the club by legendary Hawaiian watermen/ women (by the way – these guys were stoked, humbled and completely blown away by what we have going at the club with the kids)

Throughout the year I hear many, many different lots of anecdotal evidence of the success of the club in developing / investing in our youth. I thought I would share with you a couple of quotes I have had from different parents inside and outside the club:

- “ I can't believe how enthusiastic my son / daughter is about doing xyz at the surf club”
- “ What ever you guys are doing down there please keep doing it, I have never seen my son/ daughter as focused at this”
- “If you are tossing up which club on the Peninsula to send your kid to – there is a clear choice – Newport – they have everything in place”

While quotes from the kids include:

- “Its unreal” “Sick”, and lots of laughter

Obviously this is music to all our ears and is a result not just of Youth development, but is a result of all facets of the club working very well together.

I said last year in my report that my job as Youth Development Officer was not an onerous one due to the amount of people willingly contributing and investing in the kids. Well this year you can amplify that comment by 10, the amount of work that so many people have put in to make the above events a success cannot be underestimated. Conservative estimate is around 30 people actively contributing to the success of all of the above events with special mention to those involved with the 50+ SRC group. Going forward there needs to be a youth development committee and I will pursue this with the Club President and Nippers President over the next few months.

Cheers

Grahame Tate

Grahame Tate and Robyn Quin at the Basin Camp.

CLUB AWARDS

Clubman of the Year – Doug Menzies

One could be forgiven for expecting Doug to take some 'time-out' from Newport SLSC after being President for five years and also having held many other committees roles in the Club and Nippers over the last decade. But no not Doug, Newport SLSC is far too entrenched in his blood for us to think he was going to have a break and re-charge the batteries.

The Clubman of the Year award for Doug this year is a small reward given his contribution in many areas of the Club's activities.

- Doug's ongoing leadership of the Special Nippers Squad – one of his many talents is his ability to engage with these Nippers, gain their attention and lead them in activities, leaving their parents watching amazed at what their kids will and can do.
- He is still an active Patrolling member, very close to the top 10 this year.
- The preparation for our Presentation night as always requires significant planning and organising, again Doug was instrumental in putting this together and also being our MC for the night to top it off.

Then, there are activities behind the scenes that consume countless hours, but because we don't all see these it is easy to not comprehend the full effort he delivers here.

- As a Trainer, he has provided much needed assistance with our large groups of Bronze candidates this season.
- As an Assessor he has assessed many Bronze groups from other clubs both at Newport and other beaches.
- He has provided valuable Carnival Official time particularly for First Aid Competitions and this time has greatly helped Newport meet its requirements for allowing our large competition teams to compete.
- His attendance at general Committee meetings in the capacity of "Immediate Past President" has been invaluable to the new President in first year of Office, as well as other new committee members.
- Doug has been the convenor of our Clubs Centenary Committee, putting together the plan for our 100th year celebrations, assisting with the preparation of the Club's 100 Year book and contract negotiations for its printing.
- Another Committee role this season for Doug, has been the Memorabilia Committee which is planning and organising the refurbishment of Honour Boards and Photographs to go back up in the renovated hall and other areas, in a manner fitting with the new surrounds and modern image within the club.
- Doug has prepared all Club member Nominations for both SLSSNB and SLSNSW "Awards of Excellence" held earlier this year, the writing of these takes considerable time and research.

Doug has maintained his outstanding input into club activities this season and the continual development of the clubs culture.

He is one of those people that everyone still wants to talk to at any every event or opportunity at the beach, which clearly is a mark of the respect held and admiration of this mans contribution to our Club.

Congratulations Doug and thanks.

Rookies of the Year – Madison Smithies and Jack Temisgian

Madison Smithies

Madison completed her Bronze Medallion in March 2009, as soon as she turned 15.

She has been at the beach most weekends to be able to:

- Be one of the top 10 female patrollers in 2008–2009, and just missed out on being a top 10 patroller overall
- Provide water safety at the Newport Big Swim
- Assists with the Special Nippers

Madison encourages her peers with Surf Lifesaving in the local and broader community.

Jack Temisgian

Jack completed his Bronze Medallion this season.

He travels from out of the area, but still seems to be at the beach most weekends to:

- be very active assisting the Special Nippers squad in the water and on the beach
- assists with water safety for Nippers and the new Bronze squad
- Helping new Bronze candidates as patient
- Completing training for IRB crew-person

He is always asking Patrols if there is anything he can help with even when he is not rostered on. Jack's reliability and consistently make him a valuable member of the club.

Junior Clubman of the Year – Kieran Menzies

Kieran has followed up his outstanding 2007–2008 season with another big year at the beach.

This season he has:

- Completed the following new Awards:
 - Silver Medallion – Basic Beach Management
 - Silver Medallion – Advanced Emergency Care
 - Silver Medallion – IRB Driver
 - Assessors Certificate
 - Training Officer IRB
 - Training Officer for ARC
- Provided 120.75 Patrol Hours, being the highest for the club.
- He has been a trainer in :
 - two Bronze Squads – resulting in 47 new Bronze Awards
 - an ARC group – 9 candidates
 - an IRB group – both Crew and Drivers
 - the SRC group – record number of 58 successful candidates
- Assisted at club functions and fundraising – the Centurions event and BBQ Fundraiser on Newport Market Day
- Helped with photos for the audio visual slideshow presentation at the Club’s Presentation Night
- Attended and undertook the role of Leader at the SLSSNB ‘Surf Safari’ representing Newport October 2008
- Nipper Age Manager U12s (4th consecutive season)
- Commenced as a Probationary Assessor for assessments of SRC and Bronze candidates at Newport and other Clubs
- Assisted at the Club’s Ocean Swim in the IRB
- Assisted as an IRB Driver at the clubs Juniors Development Basin camp
- Assisted to set up ‘cans’ at the ‘Super Surf Camp’ hosted at Newport Beach January 2009 School Holidays

- Has basically been on two patrols – one rostered and one voluntary as their IRB driver
- Kieran was actively involved and participated in his patrol’s formally structured professional development program and presented to the patrol several information sessions along with handouts which he developed from available SLSA material

Kieran is always a willing volunteer in all club activities and his contribution to Newport SLSC this season has again been outstanding and a great role model for our Junior members.

Patrolling Excellence – Matt Halakas

Matt is Captain of Patrol 1 and because his Vice Captain had a major injury early in the season, it left Matt with extra responsibility during Patrols, which he ably dealt with.

He has excelled in the management of incidents during his patrol which has been recognised through Branch, with letter of

congratulations from NSW Ambulance Area Manager in regards to the skilled management of a spinal case, prior to Ambulance officers arriving to take over from the Patrol. It is not often that we receive ‘thanks’, let alone for a letter to be written, so this incident must have been an outstanding example from Newport’s finest.

His very busy year also included:

- Mentoring and training assistance of IRB and IRB Crewperson candidates thru ought the season and winter
- Was under the spotlight of the ‘Surf Patrol’ documentary and performed with professional skill
- Always available to assist with any activities around the club, helping setup or pack up for any event without being asked – it does help that he can lift heavy things !

Patrol No. 6.

CLUB AWARDS cont.

- Contributing time and materials – he built and donated the board trolleys for Nippers, which have been invaluable in the ease of manoeuvring the boards quickly on hectic Nippers mornings
- A Club Committee position as Branch Delegate, attending all Board of Management meetings and reporting back to the Clubs General Committee
- Had a big day in IRBs for the Big swim.

Despite Matt and Bec having a baby during this season, he has still been able to contribute significantly to the Surf Club and clearly leads by example.

Best New Member – Catherine Perkins

Cath has been an Associate Member for some years, supporting her kids through Nippers and providing many hours helping with Club activities, but she has just recently completed her Bronze Medallion, with the 2008–2009 season being her first full season as a Patrolling Member.

This year Cath has:

- Undertaken the ordering, receipt and stocking of soft drinks for the whole of Club function, including supplies for Nippers, After Fives, Events and Club Social Functions
- Been the Co-ordinator for the Under 14s Nippers group which this year completed their Surf Rescue Certificate. This involved organising some sixty 13-year olds to attend theoretical and practical training in addition to multiple assessments dates. Cath also single handedly recorded the candidate's attendance, confirmed training dates, ensured that Workbooks were completed, homework undertaken and sent emails each week

to ensure everyone was aware of what was expected the following week.

- In addition to the support of the SRC Group Cath undertook the same process for two separate Bronze Medallion Groups seeing some 47 Bronze Medallion successfully complete their awards
- Assisted with recording Proficiencies for patrolling members
- Completed the following new Awards:
 - ARC
 - Defib
 - Spinal Management
 - Silver Medallion Advanced Emergency Care.

Cath's contribution to the club has been significant, with the hours she has contributed being immeasurable, both on the beach and behind the scenes.

Committee Member of the Year – Ian Storey

Ian is one of those quiet achievers, silent working away behind the scenes, but bringing an enormous benefit back to the club.

Ian has been in the role of Treasurer for the past 8 seasons and this year prepared guidelines and interviewed applicants for Club's new Administrator's position, and essential requirement for our growing club.

During the 2008/09 Season Ian has:

- been an active member of the 'Pool to Peak' Ocean Swim organising committee

Catherine Perkins (Best New Member) with Joel Budd.

- managed a complex set of books, being responsible for the clubs budget
- been an active member of the Club's 100-year History Book Committee
- been an active member of the Club's 'Centurions' sub-committee, which was formed to help fund the Club's centenary celebrations and history book. This planning committee is organising a wide range of celebratory events including; a Gala Ball, Book Launch, Cocktail Party, Art Show, Music Festival
- has virtually single handedly chased up applicants for Club Centurions, increasing numbers from approximately 50 members to 130 + members
- been one of the primary drivers in researching the whereabouts of past members to ensure that they have the opportunity to re-engage with the Club during our centenary year
- been a key drivers to try and get all Branch Treasurers and Secretaries together to share ideas with other Clubs
- undertaken his Level 1 Accredited Official course and attends many carnivals to ensure that Newport meets its requirements for Officials
- continued to meet his patrolling obligations despite not being required to by virtue of the fact that he is an Executive Member of the Committee
- helps with the Club's 'After Fives' as bar staff
- managed and organised several raffle ticket selling programs netting the club some good revenue
- provided great leadership and strategic support to the Committee

Ian is a great supporter of all Club activities and managed to obtain some significant donations for the club from a range of benefactors, which will provide essential funds for the clubs growth in the tougher economic times expected.

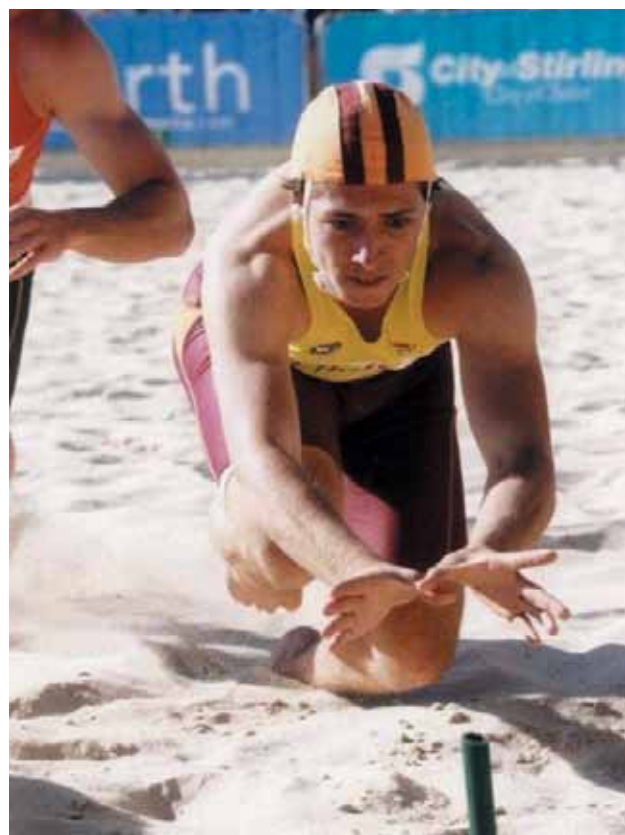

Competitor of the Year – Jake Lynch

Jake's outstanding achievements in competition this season are as a result of his dedication and commitment to a well structured training program.

His results for the season include:

- Representative Teams
 - Sydney Northern Beaches Gold Medal Inter-Branch Team
 - Member of the NSW Gold Medal Inter-State Team
 - Selected in the 2009–2010 SLSA National High Performance Gold Squad
- Major Competition Results
 - Inter-branch Championships – 1st 19s beach sprint

Jake Lynch.

- Queenscliff – 1st 19s beach flags, 1st 19s beach sprint, 1st open beach relay
- Wanda Inter-cities – 1st 19s beach sprint, 1st 19s beach flags, 1st opens beach flags
- Manly – 1st 19s beach sprint, 1st 19s beach flags
- Freshwater – 2nd 19s beach sprint, 1st 19s beach flags
- Branch Championships – 1st 19s beach sprint, 2nd 19s beach flags, 3rd open beach sprint
- NSW State Championships – 1st 19s beach sprint, 1st 19s beach flags
- Inter-state Championships – 3rd 19s beach sprint
- Australian Championships – 3rd 19s beach flags, 4th 19s beach sprint
- Other Achievements in Surf Life Saving
 - Helped with Water Safety for the Newport Ocean Swim
 - Mentors our junior beach competitors both in training and assisting them at competition events
 - Helped with the Newport Market Day BBQ raising funds for the competition team
 - Helped as wait staff at functions

Jake is one of the most consistent performers in surf life saving competition and is readily recognized by competitors – a true sign of the regard he is held in. His approach to competition and the personal standards he exhibits has established a high level of respect by officials and competitors alike.

NEWPORT NIPPERS Chairman's Report

I am pleased to present the Annual Report for the Newport Nippers for the 2008/2009 season.

A record year for Newport Nippers with

- numbers up by 13% to a record 452, including 17 Special needs youngsters
- best ever results in competition at Branch and State championships and
- a record sixty one under fourteen year olds gaining their SRC and graduating to patrols and the community service of Surf Life Saving.

This has been another successful season for Newport Nippers. Our numbers grew, our youngsters had fun in the surf, improved their skills and became safer, our competitors did well, and we "graduated" another great bunch of fourteen year olds with their SRC.

The Nippers had fun on the beach, and I like to stress this, because unless the youngsters enjoy their time at the beach and want to return next Sunday, there is no motivation for parents to bring them back next week. If they don't return next Sunday we lose the chance to lift their skills and make them safer at the beach and in the surf.

We once again had a two day visit to the Basin for the older Nippers and cadets. Sixty odd teenagers, a lot of fun, some new friends and teamwork skills, and not much sleep. Thank you to Grahame Tate and his team of parents. A great experience.

Wish I was big enough to ride this!

This year a record 61 U14's gained their SRC's and have already spent time on the beach as patrol members. We hope that for many this will be the start of a lifetime of community service in Surf Life Saving, with the friendships and rewards that this brings. A special heartfelt thank you to Ted Bruce and Rob Barkley for their efforts over several years that has kept this great group of youngsters together, enthused, committed and now qualified. Cath Perkins as communicator and marker extraordinaire, and the instructors who took them through this final season as Nippers. Apparently a record group for the Branch.

Our competitive team continued to train hard and grow in numbers with some great results at local Carnivals, and at Branch and State Championships. Well done to all those Nippers who competed, and special congratulations to all those who reached their finals or won medals.

The Newport team that went to State achieved probably our best ever results. Congratulations to:

- Kristie Edwards – Gold in U9 Sprint
- Board relay team (U14) – Gold for Max Brooks, Cooper Halligan, Fletcher Davies
- Max Brooks – Bronze in Iron man, Silver in Board rescue
- Fletcher Davies – Silver in Board rescue

Last week Max Brooks was announced as the Youth Athlete of the Year for Sydney Northern Beaches Branch. Congratulations!

Thank you to those folk who have dedicated their time and considerable skills to coaching and organizing the youngsters in their sports and competition. James Brooks, Graeme Tate, Nick Carroll, Mark Stanton, Marty Cowper, Mike Kiernan, Simon Euers, Glen Borg, Greg Howard and Ted Bruce (Mr Carnival Logistics), together with a bunch of patient chauffeurs and supporters called parents.

We will continue to coach and challenge those competitive youngsters next year as their skills and performances improve.

Competition that is so much value and fun for the youngsters is only possible with our club contributing Officials for carnivals and Championships. Thank you to our Officials (Gary Cook, Mark Stanton, Ian Storey, Bernie Howard, Doug Menzies, Greg Howard and the team), those who have taken the time to qualify and spend that time on the beaches helping our youngsters improve. We will need more parents to assist next season. Please step up and volunteer.

As part of improving our competition function we expect to change the competition support structure and your new committee will review some suggested changes through the off season. This will include the appointment of someone with the specific function of managing our Carnival entries – a volunteer needed please

The success of our Special Needs program run by Doug and Sandy Menzies, for children in need of special care and assistance continues. The group has been successfully integrated with Nippers, and now the Marlins and Dolphins are on the beach and in the water with us each Sunday. Thank you to the new helpers who have become involved this season. We do need some more help with this group, so any time you need a little extra sunshine in your life, go and watch the enjoyment these youngsters get from the program – and then volunteer.

The weekly activity of the club is of course centred on the beach and water activities and skills training. This is delivered week in week out due to the efforts of our Age Managers and those parents who assist. To each and every one of these committed folk, on behalf of the Committee and the parents, our thanks. You make it happen for our youngsters and your community. We have this season improved the standard of the training and activities delivered, and we plan to continue this improvement next season.

Special thanks to Bernie Howard as IRB driver, he is always there to assist. To Mr Crutchie for all his help with water safety, and his outstanding support of Nippers in his role as Chief Instructor – Thank you.

Thanks to the financial management of Fran Davies our Treasurer, the efforts of all those parents who help with the BBQ each Sunday and our generous sponsors we are in a financially good position and well placed to maintain the equipment and resources that we need to deliver the training to the Nippers.

Thanks to Grace Davies, Tibor Kiss and Brendan Doyle for their assistance with the BBQ over the past season. This continues to be a substantial revenue stream for Nippers and we will now need new hands to manage this effort. And parents, we do need your assistance each week if your age group is rostered.

The new Nipper's room has given us more effective access to the beach and Stuart Blackburn-Smith has done a great job in setting up our resources including the new fridge and shop cupboards.

Our equipment needs are a continually growing expense and I would encourage any parent who is in a position to influence the provision of commercial sponsorship (from employer or friend) to please come and talk to me about how we can use some help.

Woolworths became our major benefactor through last season with the \$10,000 contribution and have recently advised us that they will contribute another \$1,000 this winter. ANZ Staff foundation also provided \$5,000 for Special needs boards thanks to the assistance of Debra Kennedy-Holmes at our Newport branch of ANZ. Our local real estate friends at Edwards & Orr have again sponsored our BBQ expenses and committed \$2,800.

A special thanks to these individuals and businesses that have been able to assist and we urge all club members to in turn support their business whenever possible.

As we lose the parents of the Under14's to the seriously teenage world of Cadets we do need new parents to step forward to assist on the Committee and act as Age Managers. While several Committee members have agreed to stand for the upcoming year we do need the new 'generation' of parents to step forward

To this end we will be looking for several Age managers within each age group. Enthusiasm required, skills, knowledge and guidance will be provided if needed. Please do not be bashful in stepping up to help support our youngsters.

Each of the Committee members has contributed enormously to another successful season for Newport Nippers. Our thanks to each of them: Chris Borg, Secretary, Peter Finn Vice Chairman; Fran Davies, Treasurer; Stuart Smith; Ian Smith; Cath Perkins; Mark Tyler; Grahame Tate; Ian Crutch; Lisa Brooks; Ted Bruce; James Brooks. While once again I have had the privilege to be the spokesperson for the team their contributions have been outstanding and made it all happen. Thank you, you have been great to work with.

My thanks to the parents who make it all possible. I trust you have enjoyed the year and that your Nippers have learnt lots and enjoyed themselves more. I look forward to seeing you back here on the beach next season.

I have decided not to stand for re-election after five seasons on the committee and four as chairman and I would like to thank all those who have worked with me on the committee, in the water and on and off the beach in that time. For their contributions, their commitment, their time, and their friendship.

A final suggestion to parents and all senior members; Add some magic to your life – get involved.

Ray Bratton
Chairman

Happy Newport Nippers.

DOLPHINS AND MARLINS REPORT

This is the seventh season Newport has run its Nipper Group for children with intellectual disabilities, to teach them Surf Awareness and Surf Safety skills, but this year is the first year the program has been fully integrated into the Nipper program and has run for the entire nipper season. This has enabled a lot of interaction between the groups and allowed our group to be truly part of the Club. A huge thank you must go to all of our members who helped with these groups throughout the season.

Unfortunately the surf has not been kind to us this season, and water work for us was not possible a lot of the weeks. Despite this all the participants had a great time and learnt a lot of new beach activities and made many new friends. We were also fortunate to receive a grant to buy some soft top rescue boards for the group to use. These have arrived a little late for this season, but will be a great asset when we return to the beach. A huge thank you to the ANZ Staff Foundation and Debra Kennedy-Holmes from Newport Branch of the ANZ for helping to make this possible.

We look forward to seeing everyone back at the beach in October – both nippers and helpers- to start another new season. Fingers crossed we will be able to achieve some time in the water!

Doug and Sandy Menzies

Dolphin and Marlin Age Managers.

GEAR STEWARD'S REPORT

The patrolling year commenced well with the club passing its pre season inspection. Unfortunately new flags that were ordered did not arrive and will be ordered for the start of next season to project our professional image to the beach goers.

At the start of the season 12 boards were put in for repair and a system of quarantining patrol boards was put in place. Due to the large numbers of bronze crews being put through this year the boards were well used and at the end of the season eight boards are in need of repair. These will be fixed in July.

The new radio bags have proved an excellent innovation, with only one radio needing repair during the season. This compares to eight last season.

A new outboard was procured through the Yamaha sponsorship program and the general state of the boats was a credit to the IRB crews.

Unfortunately my service with the Navy required many absences this year, but 2009/10 is looking much better.

Michael Maley

Gear Steward

IRB training – Kieran Menzies, driving and Ryan McKern, crew.

REGISTRAR'S REPORT

Newport SLSC finished the 2008/09 season with a total of 1122 members. This figure represents an increase in membership of over 10 percent on last season's total of 1014 members.

The total membership for 2008/09 included 378 patrolling members (Active (18yrs and over), Active (15-18 yrs) and Cadet Members (13-15 yrs)) and 452 Nippers. The Nippers tally includes 17 members who made up the Special Needs group.

There were 303 people who were members of the club during the 2007/08 season who did not renew for the 2008/09 season. The majority of these people (approx. 75 percent) were made up of Nippers and their parents. This doesn't mean that these 303 people are lost to the club. Many people fail to renew their memberships for one season, sometimes more, but eventually return to the fold once again.

Members who joined Newport SLSC for the first time during the 2008/09 season totalled 346. There were 711 people who were members during 2007/08 who rejoined for season 2008/09 and 65 people who were not members of the club during 2007/08, but had been members before, who returned for the 2008/09 season.

The members of Newport SLSC are drawn from a wide area. The table below shows a breakdown of the suburbs in which our members reside.

Ian Smith
